## A step above...in Quality, Selection, & Designs

### ***Quality***

All our products are manufactured from the highest quality materials and undergo meticulous examination to ensure only the best products reach your door. We believe strongly in the quality, integrity, and reliability of our products and offer a lifetime warranty on all Jeffrey Alexander decorative hardware (see page 214).

### ***Selection***

Jeffrey Alexander offers 60+ patented and original collections plus a variety of industry standard designs in a wide range of styles and finishes. With extended lengths as well as appliance handles available in many of our collections, there's something for everyone.

### ***Designs***

Inspiration comes from the latest styles in interior design to the newest fashion trends on the runway. That inspiration is creatively transformed into beautiful hardware for any kitchen, bath, or home project. Our designs are heavier in weight with solid or flat backs, not hollow backs, adding a touch of luxury while providing a comfortable feel in your hand.

DB800-GRY	Leyton hardware on Designer Grey display board, 16"W x 11"H

## **DISTINCTIVE**

Leyton's relaxed yet distinctive asymmetrical silhouette is fun and flexible. An ideal complement to mid-century modern design with its clean lines and gentle curves, this pull collection also harmonizes with contemporary design's straight lines and geometric shapes.

### *Design Idea*

For a bold, modern feel, use gold-tone hardware on black cabinets.

Shown in Satin Bronze
