- 3/4" Solid Wood Face Frame
- 1/2" Plywood Cabinet Construction
- Premium 100% Water-based Finishes
- Beautiful, finished interior
- 1-year Limited Lifetime Warranty

Quality Comes First

Your choice of cabinetry makes a personality-defining statement in your home. Selecting the right cabinets is an important first step because your cabinets should be just as functional on the inside as they are beautiful on the outside. Cabinets should withstand the demands of daily use, and maintain their integrity throughout their lifetime.

That's why quality comes first at NorthPoint Cabinetry. Every detail is carefully considered to ensure our cabinets not only meet our high-quality standards, but yours as well. Our commitment to quality combined with our on-trend finishes, door styles and product depth and breadth are what make NorthPoint Cabinetry the perfect choice for your project.

It Starts with Quality Wood

Just as a healthy tree needs strong roots to thrive, so too does a quality cabinet require premium lumber at its core. Our cabinets feature a **solid wood construction**, so the quality of wood is of utmost importance.

Structural Integrity

Meaningful yet hidden reinforcements, like solid wood corner blocks and strategically placed pocket screws, help reinforce the structural integrity of the cabinet. Take comfort that these well-constructed cabinets will stand the test of time.

Thoughtful Craftsmanship

Boasting an innovative dovetail and hidden pocket screw construction, these cleverly designed cabinets result in robust quality and quick, accurate assembly.

Pretty on the Inside Too

NorthPoint Cabinetry features a clean and beautifully finished birch interior that enhances the cabinet's luxurious, high-quality appeal.

Premium Drawer Boxes

Dovetail joinery is the hallmark of high-quality drawer boxes. The finished interior of the drawer boxes coupled with the dovetail construction, and silky-smooth concealed slides make this drawer box the star of the show.

Hardworking Hardware

Our cabinets feature discreet compact hinges and concealed undermount slides. The hinges & slides have been 3rd party tested and exceed industry standards. The Premier collection (shown) features full extension slides so that you can easily access and make use of the whole drawer.

Sturdy Shelves

NorthPoint Cabinetry shelves are constructed from an impressive $\frac{3}{4}$ " thick, veneered plywood. This means that you don't have to worry about shelves sagging under pressure of normal use. Shelf height is adjustable so that you can optimize storage space for your needs.

Expert Finishing

Count on consistent, high-quality finishing. Our state-of-the-art manufacturing facility utilizes a multi-step professional finishing process. This meticulous process guarantees that finishes maintain a high degree of color and application accuracy from cabinet to cabinet, which means that your cabinets will look stunning.

Our cabinets and accessories feature water-based ultraviolet (UV) finishes. Water-based UV finishes emit low Volatile Organic Compounds (VOCs) and are environmentally responsible. Ultraviolet finishing uses light instead of heat for curing and the benefits include no environmental pollutants or solvents to evaporate, increased chemical resistance and durability.

Premium Multi-Step Finishing Process

1. The finest wood components are sanded with precision
2. A balanced base coat is applied to ensure a consistent, quality finish
3. First stage ultraviolet (UV) curing process occurs
4. The wood is finely sanded and vacuumed
5. A tinted primer is applied as a foundation for our superior finish
6. Second stage (UV) curing
7. The wood is finely sanded and vacuumed
8. The solid paint layer is evenly applied
9. Third stage (UV) curing
10. The wood is finely sanded and vacuumed
11. First layer of water based clear coat is applied
12. The components go through the dryer to prepare for final processing
13. The wood is finely sanded and vacuumed
14. Second layer of water-based clear coat is applied
15. The components go through the dryer once again
16. Final sanding for a smooth surface and vacuumed for a thorough cleaning
17. A final layer of topcoat is evenly applied
18. Oven cured for catalyzed hardened finish
19. Visual inspection with a color consistency examination performed

Process for stained products varies slightly from the above steps.

Product Depth & Breadth

Our comprehensive line of 2,100 kitchen cabinets and accessories can accommodate almost any kitchen or bathroom layout.

Personalize your cabinets with cabinet organizers, cabinet lighting, and knobs and pulls offered through NorthPoint Cabinetry's sister brands - Hardware Resources, Jeffrey Alexander, Elements, Task Lighting.

Versatile Vanity Cabinets

Our kitchen and vanity cabinets are made with the same dependable quality and construction. The vanity door styles and finishes match our kitchen cabinet collections, which allows you to thoughtfully coordinate your spaces, creating an intelligent design flow from kitchen to bathroom, or mix up the design styles and finishes from room to room if that best fits your design personality.

We offer many different vanity cabinet configurations allowing our cabinets to perfectly fit most bathroom spaces. Options like linen cabinets and all drawer cabinets go the extra mile to make the bathroom space functional and beautiful.

Cabinets for Any Space

The kitchen and bath are common spaces to install cabinetry. However, you can enhance your other spaces like the laundry room, mudroom, and entertainment areas with NorthPoint Cabinetry. Cabinets make those spaces more functional by providing additional storage or countertop work space.
